

2026 13th Scholarship Selection Announcement by the INSULATIONKOREA Dream Foundation

The Dream Foundation, established by INSULATIONKOREA,
will be awarding scholarships to domestic students
who are diligently pursuing their academic goals.
In this regard, we kindly request the application and nomination of students
who meet the criteria specified below.

☐ Program Overview

○ Purpose

- To support domestic students who are diligently pursuing their dreams by providing them with scholarships.
- To assist students who may be unable to fully dedicate themselves to their studies due to financial constraints.

○ Eligibility

- Korean nationals and international students currently enrolled in schools within South Korea.
 - ※ High School Students, University (Undergraduate) Students, and Graduate Students (Master's level).
 - ※ Individuals with excellent academic records OR children from low-income families.

< Eligibility Based on Applicant's School Location >

Category	In South Korea	Located Abroad
Korean Students	○	x
Foreign Students	○	x

< Eligibility Based on Applicant's Current Enrollment Status >

Category	Prospective High School Students	High School Students	University Students	Graduate Students (Master's)*
지원자	○	○	○	○

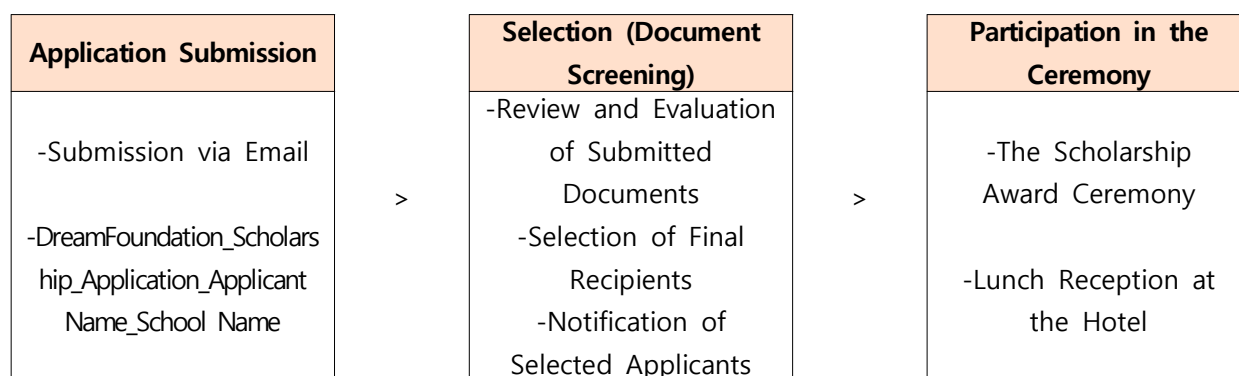

* For students enrolled in integrated Master's-Doctoral programs, financial support is limited to the semesters corresponding to the Master's curriculum.

- ※ Students on leave of absence, those scheduled to return to school, and those preparing for re-entry exams (e.g., retakers/gap-year students) are ineligible to apply. (Eligibility is based on current enrollment status.)
- ※ Applicants who are scheduled to enter a new level of schooling (High School, University, or Graduate School) must submit an official acceptance letter or relevant documentation.

○ Scope of Support

- KRW 1,000,000 per person. Total Recipients: 60 individuals will be selected.
- Selection is limited to a single time per individual, and multiple disbursements are not permitted.
- This scholarship is intended for the purpose of tuition and living expenses. Since concurrent receipt of other scholarships is permissible, coordination with other institutions is advised.

□ Selection Process

□ Application Guidelines

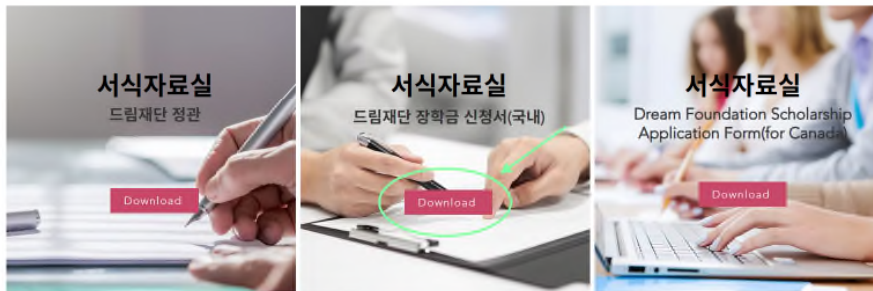

- Application Period: From Monday, December 29, 2025, to Monday, January 5, 2026, at 15:00 KST (Korean Standard Time).
- Application Method
 - Complete and prepare all required application documents, then submit via email to dream@insulationkorea.co.kr.
 - The email and file title must be written as: 『DreamFoundation Scholarship Application_Name_School』
- Application Form
 - The application form can be downloaded from the INSULATIONKOREA Dream

Foundation website (www.ikdream.kr)*.

* For optimal performance and stable access, please use Microsoft Edge or Chrome browsers.
